AUTUMN TERM — WEEK 4

23RD SEPTEMBER 2019

## Year 6 Focus Week

*Year 6 spent last week with the Into University team in Hillside learning about Computer Science.*

*The week began with some code breaking and a morning spent learning with a specialist computer scientist from the University of Leeds. On*

*Wednesday a trip to the Science and Media Museum in Bradford to learn about computing history, light at sound (in the amazing Wonder-lab) and see animation from its humble beginnings, was thoroughly enjoyed. On*

*Thursday pupils return to Hillside to prepare for their presentations, which were part of their day at the University of Leeds.*

*Friday’s trip included a tour around the university, including to the huge libraries and the student accommodation. Then 30 gowns and 30 caps were pulled on for the Year 6 graduation ceremony. A hugely successful and fabulous week.*

*Mrs Cole (Y6 Class teacher)*

*“Virtues to Live By” will soon be introduced in our school!*

*The virtues are broad and balanced, and include the theological, moral, civic, intellectual, and performance based virtues.*

## **SAVE THE DATE:**

**Tue 22nd Oct (1-5pm) Parent Consultation Day**

## Leeds Year of Reading 2019-2020

*The year of reading has been designed to activate the whole city around reading and the love of reading.*

*A love of reading leads to a love of learning and this helps to underpin progress and achievement in all subjects.*

*Follow the Leeds year of reading on Twitter via @LeedsYOR and use the hashtag #Leedslovesreading if you want to get involved.*

**Last week, some of our Mini Vinnies and School Council children took part in a litter-picking project. I am very pleased to say, the children did Beeston St Francis very proud and made a wonderful effort in tidying up the surrounding area of our school.**

**What a fantastic way to “Turn Concern Into Action”!**

**Miss Sultan (Mini Vinnie lead)**
