SPRING TERM — WEEK 6

10TH FEBRUARY 2020

## Ofsted Inspection

*Last week, we received a 2-day Ofsted inspection. During the visit, Her Majesty's Inspector, Mr R Knowles, spoke to parents, pupils and staff; visited lessons; looked at children's books; and carried out several learning walks accompanied by senior and middle leaders.*

*I am unable to disclose the judgement until the report is approved by Ofsted and sent to us in a couple of weeks. However, I can say how impressed the inspector was with our children - their polite manners and excellent attitude both towards learning and towards each other.*

**Well Done** to all the children and staff! And a big **Thank You** to all parents for their continued support.

## Internet Safety Week

Last week our school celebrated Safer Internet week. It is celebrated globally in February each year to promote the safe use of digital technology. This year the theme was titled 'Free to be' which explores online identity.

Everyone took part in a range of classroom based activities and pupils from each class shared their work in a whole school assembly on Friday.

Among the many activities, KS1 children explored how to create a safe profile while KS2 pupils designed posters on internet safety and studied how to deal with different scenarios they could be faced with online.

Please speak to your child about internet safety and what they have learnt last week.

## CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
