SPRING TERM—WEEK 9

9 MARCH 2020

Last week, we all joined in celebrating **World Book Day!** All the children dressed as a piece of vocabulary and designed some amazing costumes.

Throughout the day, we all enjoyed word-related games and activities. In assembly, one child from each year group was selected to receive a great literacy prize (a book, of course) for the most creative outfit! Congratulations to all of our winners and well done to everyone who took part.

In the evening, Friends of St Francis PTA treated the children to a Movie Night, which they all really enjoyed. What a fabulous day!

PTA Family Fun Evening - EVERYONE WELCOME!

Coronavirus UPDATE

Last week, the Government published an Action Plan, which sets out a four phased approach in response to the Coronavirus – Contain, Delay, Mitigate, and Research.

As part of the Contain phase, all schools are being provided with daily advice, which can also be found on Public Health England's website.

A DfE helpline has been launched, to manage the flow of increasing queries, from staff, parents and young people, who can contact the helpline as follows:

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Monday to Friday)

Personal hygiene is the most important way of tackling the spread of COVID-19. Washing hands for 20 seconds; and using the "Catch it - Bin it - Kill it" strategy for those with coughs and sneezes, is central in preventing and slowing the spread of the infection.

Updates and the latest information can be found at <https://www.gov.uk/coronavirus>
