

Home Learning - Story Tasks Wk 30th March

by Helena Shaw - added 29 Mar 2020 08:18 PM

Children: Parent Notices and Information Reception Class

Notes

Please use the links to listen to my recommended story of the day.
Every day you could discuss the following things with your child:

Characters - who is in the story?

Setting - where does the story happen?

Events - what happens in the story?

Opinions - what is your favourite part of the story? Why?

Maybe you could draw a picture to show the key characters, setting and events.

If you do, please upload this to Tapestry to share your learning with me.

Monday - Listen to the story of Rosie Revere, Engineer. <https://www.youtube.com/watch?v=r5yZ8K7pb0Y> This story is actually being read by a real astronaut inside the International Space Station! Why don't you use the internet to find some pictures of the International Space Station?

Tuesday - Listen to the story of The Incredible Intergalactic Journey Home. <https://storytimefromspace.com/stories/the-incredible-intergalactic-journey-home/> This story is being read by the astronaut Tim Peake. Maybe you could find out some more about him using the internet with your grown ups?

Wednesday - Listen to the story of Shark in the Park on a Windy Day. <https://www.youtube.com/watch?v=R2RwvAHUAdc> Maybe you could make a telescope and see what you could see inside your house?

Thursday - Listen to the story of Goat's Coat. <https://www.youtube.com/watch?v=qkNgTF5UNvo> Maybe you could design a new coat for the goat?

Friday - Listen to the story of The Night Pirates. <https://www.youtube.com/watch?v=mdWxBn-xvrQ> Maybe you could play a pirate PE game? Shout these instructions to your child. Can they listen and do the relevant actions? Climb the rigging (children pretend to climb up the net) Scrub the deck (children go onto the floor and pretend to clean the floor) Captain's coming (children stand up straight and salute the captain) Port (run to one side of the room or space) Starboard (run to the other side of the room or space) You could even make up some of your own pirate instructions!
