Children: Parent Notices and Information Reception Class

Notes

Hello Everyone,

I will be here on Tapestry to support you all with your child's home learning during this period of uncertainty.

We are really lucky to be able to use such an interactive platform. Please feel free to send messages on here about anything you are unsure about so I can clarify things for you.

As well as using Tapestry there are lots of ideas and websites for you to access on the schools website in Receptions class page. It is full of ideas and learning for you do continue with your child at home.

I would also really love to see what you are all getting up to. I know I will really miss you all! Please send me photographs or videos of your children doing our home learning tasks or anything else you get up to through Tapestry and in your own child's Journal, I will then be able to respond to you and your child, offering praise and further suggestions.

Please let me know if any other parents are finding it difficult to access tapestry, or if they require a password reset. A password reset link would then be sent to that parent's email address. Hopefully we will remain free of technical difficulties.

Sending my thoughts and prayers to you all. God bless.
Mrs Shaw
