Shadow Drawing

Make the most of the sun and explore light and shadows.

Place your object of choice on your paper and use it as a guide to trace the outline.

KIM'S GAME

How to Play Kim's Game:

- Collect 5 or more objects with your child.
- Hide them under a tea towel or cloth.

- Remove 1 object without showing your child.

- Reveal the objects that are left and ask your child to guess which object has been taken.

Notes

Look at the photographs for some ideas of creative curriculum tasks to support your children's wider development.

I would love to see some photos or videos of what you get up to so please post these onto Tapestry to share your learning.
