Children: Parent Notices and Information Reception Class

Notes

I hope you are all having a wonderful Easter time. Here are some ideas of activities you could do this week to keep your child's phonics skills going.

- * You could read along with my segmenting and blending video to practise reading words containing digraphs and trigraphs.
- * You could write some of the words in the video onto egg shaped pieces of paper and have an easter egg hunt. Can you find and read the words? Maybe you could write some words for your grown ups to find?
- * You could play some of these mini games to practise your segmenting and blending. Click on this link: <https://www.teachyourmonstertoread.com/minigames> Then press on ai, ee, igh, oa, or, oo or oo. I would then recommend choosing one of the segmenting and blending games.
