## Notes

So today marks the start of what would have been the Easter holidays. It will be a very strange Easter break this year so I thought I would give you some ideas of fun activities you could be doing over the next couple of weeks to keep everybody busy!

\* You could use an old sock from around your house to make your own sock bunny. See the link for a video showing you how to make them: <https://www.simplemost.com/make-adorable-diy-sock-bunny/>

\* You could bake some Easter nests. See the link for a recipe: <https://www.bbc.co.uk/cbeebies/makes/lets-celebrate-easternests?collection=spring> If you can get hold of some it might be nice to add some mini eggs to the middle of your nests.

\* You could learn a new dance move - the funky chicken! This video will teach you how to do it! <https://www.bbc.co.uk/cbeebies/watch/lets-go-club-funky-chicken?collection=spring>

\* You could print out the numberblock egg pictures above and have a go at decorating them. You could even cut them out and set up an easter egg hunt around your house.

\* If you are going on a walk to get some fresh air and exercise you could have a look for some signs of Spring. You could even take a spring selfie to send me on Tapestry. Maybe you could find some daffodils or other flowers growing, or some blossom on the trees.

\* You could make your own Easter bonnet hat like the ones in the picture. Maybe you could put your hat on and parade around the house.

\* Well done to everyone who has been doing Joe Wicks' daily PE workout. If you are after a bit of a change or something to use as well I came across these Wild Workouts which are really good. They are all available on BBC iPlayer on this link: <https://www.bbc.co.uk/iplayer/episodes/p06tmmvz/andys-wild-workouts>

\* You could have a go at singing the nursery rhyme - sleeping bunnies. I really like the part where all of the bunnies spring up from their sleep. Can you act this out in your house? I wonder if you could learn the makaton signs to go with the words. Mr Tumble will teach you on this video: <https://www.youtube.com/watch?v=VY4joIoPf80>

Remember to upload your wonderful creation onto Tapestry in your child's profile so I can see and comment on your Easter fun.

Wishing you all a blessed, happy and healthy Easter with your families!  
Mrs Shaw
