Notes

Monday –

Revisit the 'or' digraph. Please go to the following weblink: <https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zr6f6v4> Here you will find a video to help you to revise the 'or' digraph. Please watch the video and complete the quiz that follows it to apply the 'or' digraph to different words.

Tuesday –

Continue your learning about the 'or' digraph. Play Dragon's Den to practise reading words containing 'or'. Go to <https://new.phonicsplay.co.uk/> and log in using the username: march20 and password: home. Click on resources, then click on the game Dragon's Den. Press 'phase 3' then click '+or'. Your child can then read the words and sort them onto the green dragon if they are real, or the red dragon if they are a made up word. Encourage your child to locate the 'or' digraph first to make reading easier.

Wednesday –

Today we are practising our tricky words. Remember these are words that we can't segment and blend, we just have to learn what they look like. Grown ups, have a look at this video for some fantastic ideas of different (and fun) ways you can practise reading and writing these words <https://www.youtube.com/watch?v=80kpHbGSypw> Have a go at practising these words today using one of the activities: me, be, you, are, was, all, they, my.

Thursday –

Watch this week's segmenting and blending practice video which introduces the 'ur' digraph. This will 'go live' on Tapestry on Thursday morning. Join in with segmenting and blending the words along with me. Write the following words on separate pieces of paper: church, turn, fur, burn, surf, hurt, curl, burp. Hide them around the room or your garden for your child to find and then read. Encourage them to look for the 'ur' digraph (and any other digraphs in the word) first to make reading easier.

Friday –

Continue your learning about the 'ur' digraph. Watch this online phonics lesson and try to join in with the reading and writing activities. https://www.youtube.com/watch?v=N_eMHC35n24 It even starts with our favourite alphabet song – Boom shake the alphabet!

Other ways you can support your child's phonics development: This week the Department for Education are continuing to release a daily live phonics lesson on YouTube for children to access at home. These will be fully aligned with what we do in school and of very high quality. Please engage with each of the daily lessons this week. They will be broadcast at 10 am on this YouTube channel but will be available to watch afterwards if this time isn't convenient for you. https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/channels?view_as=public
