Use the aerial photo of Sherborne Castle in Dorset, England to finish this map. You will need to add the grass, the trees and the road. Then complete the key and answer the questions.

Key

-  castle
-  path
-  grass
-  trees
-  road
-  lake
-  building

How will you get from the building marked with an 'x' to the orange field?

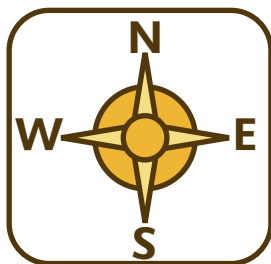

How will you get from the building marked with an 'x' to the castle?

Name: _____ Date: _____

Choose one of the castles on the Picture Cards. Draw a 3D model of the castle and the surrounding area on the grid below. Make a key which describes the features of your map.

Top Tip!
Copy the grid below on to tracing paper, then lay it over the aerial photograph. This makes it easier to draw your 3D plan!
