

Correct the paragraph below then write it out correctly using joined handwriting.

in romans times people did things that they thought were completely normal but that sound disgusting to us did you know that after bathing they would scrape off the sweat filled oil they'd covered themselves in this wasn't the gross part though the gross part is that ladies would then use this as hair gel the sweat filled oil of gladiators was in high demand some romans would wash their mouths out with wee I think I might stick to cologate when they were eating if they became full they would make themselves sick so that they could keep going

A series of horizontal lines for handwriting practice. Each line set consists of a top blue line, a middle red line, and a bottom blue line. There are 10 such sets of lines provided for writing the corrected paragraph.
