---

Think about the different elements Rousseau used in his paintings.

Use the space above to design your own animal mask.

# Mask Design Evaluation Sheet

Circle the smiley face to answer the evaluation questions.

I like how my mask looks.

I worked hard on my mask.

There are lots of ways I could improve my mask.

I chose good materials to use.

If I did it again I would do something different.

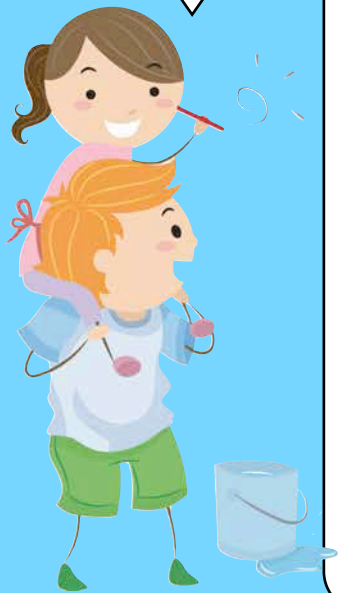

I used Rousseau's key features in my design.

## Mask Design Evaluation Sheet

Colour in all the stars with sentences that are true.

I worked hard on creating my mask.

I chose good materials to decorate my mask.

I used clear outlines for my added details.

I used different shades of simple colours.

There are lots of ways I could make my mask even better.

I included Rousseau's key features.

Cut out the cards and place them face down. Take it in turns with a partner to choose a card and ask each other the questions.

Evaluation Card 1

What do you like best about your mask?

Why is this your favourite part?

Evaluation Card 2

If you made your mask again, what would you do differently?

How would you make these changes?

Evaluation Card 3

Which materials did you choose?

Why did you choose these materials?

Evaluation Card 4

What do you like least about your mask?

Why is this your least favourite part?

Evaluation Card 5

Did you find parts of your design tricky to make?

How did you deal with the tricky parts?

Evaluation Card 6

Did you have to make any changes to your design?

What? Why?

1. Use the Mask Design Sheet to help you design a Rousseau inspired animal mask.

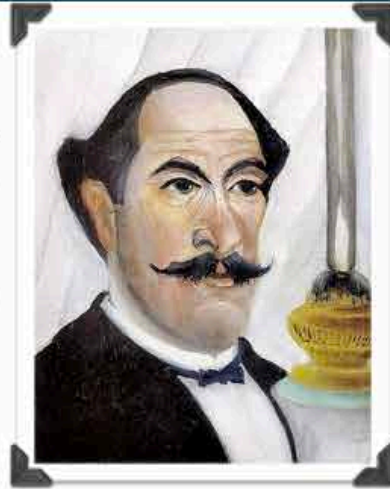

3. Gather all of your resources and then you will be ready to start.

2. Write a list of all the resources you will need to make your mask.

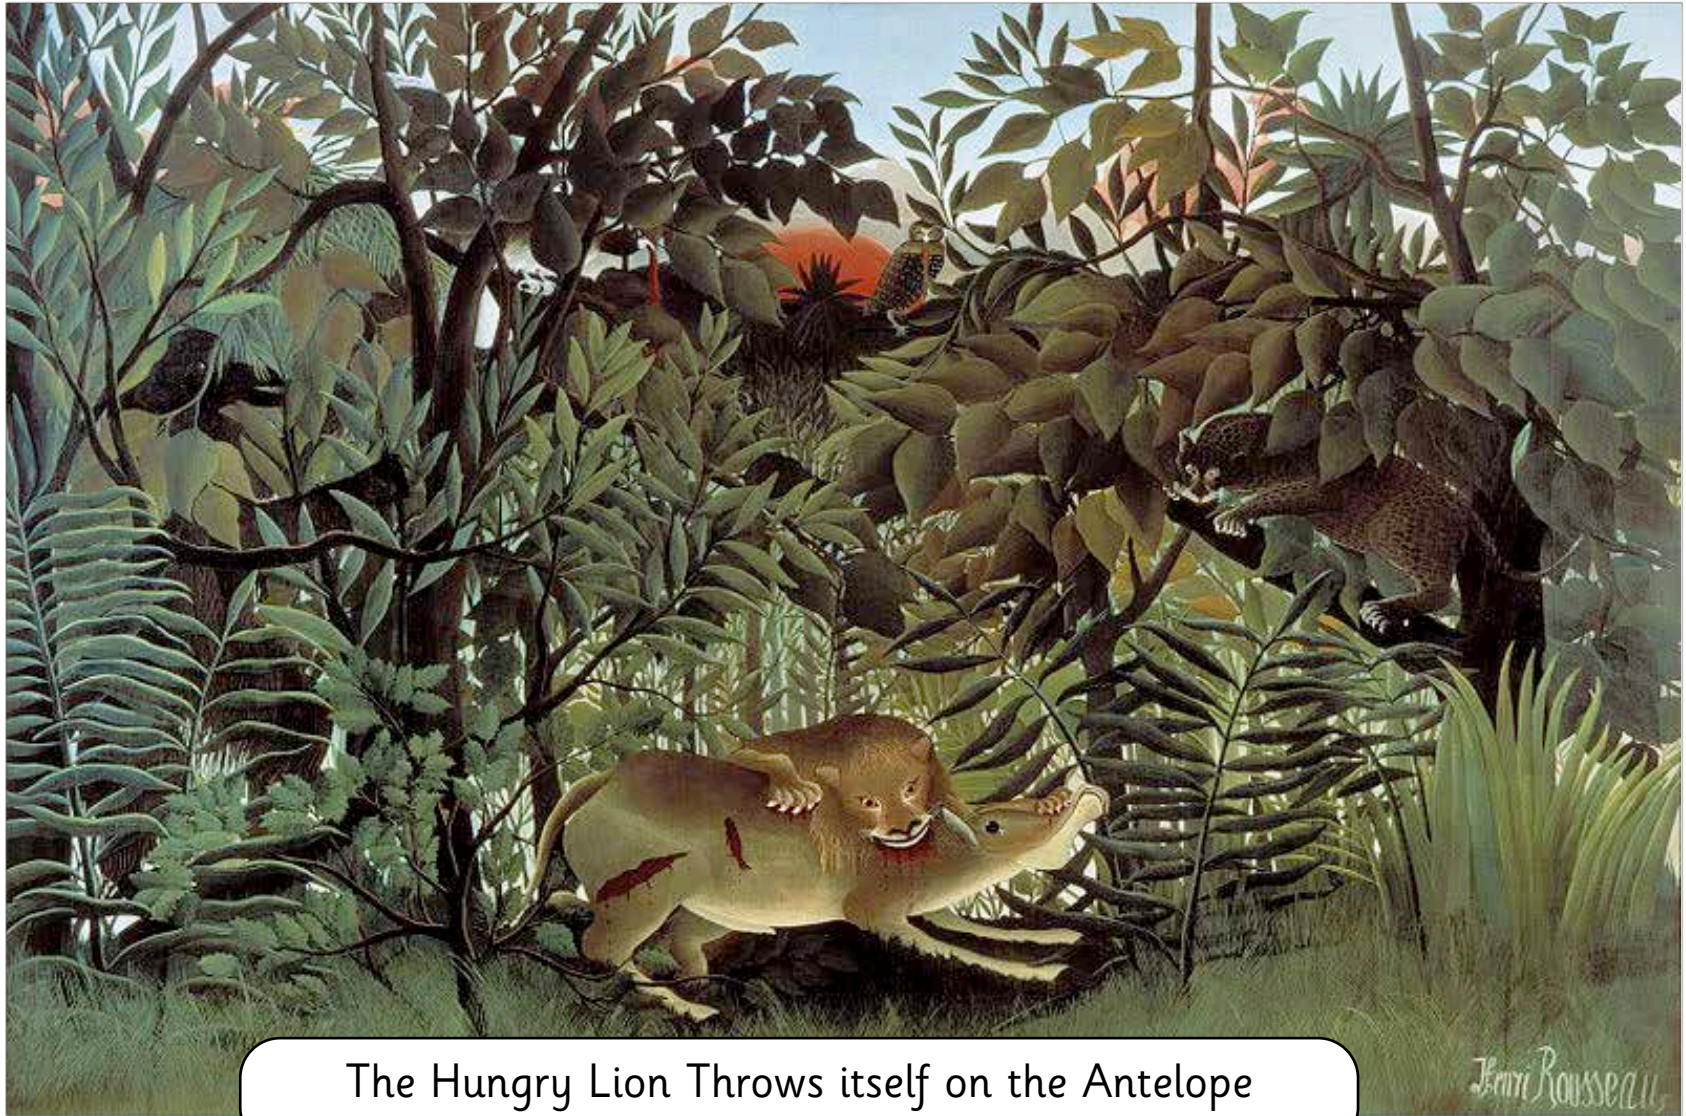

# Henri Rousseau: Key Features

Don't forget to use these key features!

The Hungry Lion Throws itself on the Antelope
