ADMISSIONS

St Francis of Assisi Catholic Primary School was founded by the Catholic Church to provide education for baptised Catholic children. The school is run by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ.

If the number of preferences received is less than the admission number, then all preferences will be met. However, when there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed in the Admission Policy. By applying to this school, parents are declaring their support for the aims and ethos of the school.

The governing body has responsibility for admissions to the school and intends to admit 30 pupils to Reception in the school year.

The admission Policy and SIF are available from the school office, on request.

In Year Applications

1. Appeals will be heard within 30 school days of the appeal being lodged by the parent.
2. Papers and details such as date, time and venue will be sent to parents at least 10 school days before the Appeal hearing.
3. Parent can send further evidence to the Clerk to the Appeals Panel before the Appeal takes place but no later than 5 school days before.
4. Decision letters will be sent to parents within 5 school days following the Appeal.

Appeals submitted after the given deadlines will still be heard as soon as possible but not necessarily within the above timescales.

ARRANGEMENTS FOR VISITING THE SCHOOL

Parents of prospective pupils who wish to make an application for their child to attend the school are encouraged to visit the school and meet the Headteacher by appointment prior to making the application.

Prior to starting school, and after the Governing Body has approved the admission of a child, parents and children will be invited to visit the school during the summer term.

Parents of existing pupils - Parent Evenings are held three times a year, one in each term.

The Headteacher is always prepared to see parents. Parents are encouraged to contact the school at any time that they feel it is necessary. Please remember, however, that to be certain of prompt attention it is best to make an appointment in advance.

In addition, children in Year 4 have swimming lessons.

Homework

Children will be given homework at appropriate times. Parents are always encouraged to listen, talk to and read with their children whenever possible. Parents are also encouraged to take their children to the library. The school also stresses the importance of tables and spelling. Individual class newsletters include further details regarding homework.

PASTORAL CARE

The school aims to create a caring environment where the safety and welfare of each pupil is of fundamental importance. The Headteacher's responsibility for pastoral care is delegated to both teaching and non-teaching staff. The class teacher is the person immediately responsible for the child's welfare. He or she works in collaboration with colleagues to ensure that pastoral care is of the highest order. Close contact between home and school is key and the Headteacher is always available for private discussions with parents needing particular help.

CATHOLIC LIFE OF THE SCHOOL

Parents are the first educators in the faith for their children. It is the school's role to build upon the foundation of faith and to deepen and strengthen it.

Religion is not treated as just another subject; it permeates the whole school life. This is brought about not only in the RE lessons where the "Way, the Truth and the Light" Religious Education Programme is followed, but also in the opportunities provided for growth in prayer, sacramental preparation, celebration and liturgy. Every attempt has been made to create and maintain a caring and Christian community in accordance with the doctrine and practices of the Catholic Church. In these and in other ways we would hope that the children

will grow in the love of God and for each other, so that they develop a true sense of commitment and service.

We welcome people of other faiths to our school community. They enrich and broaden the religious life of our school.

There is close co-operation with the Parish Priest. Mass is celebrated for the school at least once a term. These Masses are prepared by the pupils and their class teachers and are open for parents and parishioners to attend.

SACRAMENTAL PREPARATION

Preparation of children for the Sacraments of Reconciliation, Holy Communion and Confirmation will be carried out in accordance with:

- the teachings of the Universal Church and the Bishop's Conference of England and Wales;
- the policy statement issued by the Bishop of Leeds;
- the particular direction given by the parish priest of Maximilian Kolbe, in regard to the fulfilment of Diocesan policy; and the Religious Education policy of the school.

SPECIAL EDUCATIONAL NEEDS

St Francis of Assisi Catholic Primary School is a community which reflects and celebrates the diversity of Christ's Kingdom where all are seen as gifted and *all* can learn from one another. Our commitment is to meet the needs of every child as a unique individual created by God.

The policy addresses those children with special educational needs whether short or long term, related to physical, emotional, behavioural or learning.

We aim to:

- (a) provide an environment which fosters close partnership with parents;
- (b) promote the self-worth and self-esteem of all who learn and work within the community;
- (c) provide a curriculum in line with the distinctive nature of Catholic Education and one which meets National Curriculum requirements;
- (d) promote early identification and assessment of children with special educational needs;

- (e) meet the academic, social, moral and spiritual needs of all pupils to enable them to reach their full potential, in as inclusive an environment as is possible and taken into account the needs of all children;
- (f) provide differentiated teaching resources matched to the needs of the pupils;
- (g) provide the correct help as resources allow;
- (h) promote professional sensitivity towards all children with special needs and their families.

CHARGING FOR SCHOOL ACTIVITIES

The Governing Body recognises the valuable contribution that the wide range of additional activities including clubs, educational visits and residential experiences can make towards the intellectual, physical, spiritual, personal and social education of pupils. It aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and also as additional activities.

Charges

The Governing Body reserves the right to make a small charge in the following circumstances for activities organised by the school:

- School journeys in school hours: the board and lodging element of residential activities deemed to take place within school hours.
- Activities outside school hours: the full cost to each pupil of activities deemed to be optional extras taking place outside school hours.

Breakages and fines

The Governing Body reserves the right to ask parents to pay for the cost of replacement or repair of items of school property or equipment damaged as a result of a pupil's behaviour or negligence.

COMPLAINTS PROCEDURE

Formal complaints: If attempts to settle the complaint informally have failed, the Headteacher will supply the complainant with the name of the Clerk to the Governing Body and with a copy of the document which explains the arrangements for considering complaints.

For further information please read the Complaints Procedure statement and the Complaints Toolkit.

HEALTH AND SAFETY

In order to promote Health and Safety on the School premises the Governing Body has approved a Health and Safety Policy and the school has constructed a Health and Safety Code of Practice, copies of which are available for inspection at the school. Obviously, these will only be of use if they are observed by everyone who uses the school premises - pupils, teachers, non-teaching staff, Governors, parents and visitors.

Four things are expected of pupils:

1. to exercise personal responsibility for the safety of self, classmates and other children;

WE CANNOT ACCEPT RESPONSIBILITY FOR LOSS OF PERSONAL PROPERTY.

ABSENCES/LATE ATTENDANCE

When your child is absent, please telephone the school **before 9.30am each day of absence** or inform the school of how many days the pupil will be absent. In this way the absence can be "authorised." If this is not possible an absence note on his/her return is required.

When an absence is known in advance the School must be informed before the absence. The absence can then be recorded as 'authorised'.

Should a pupil be sent home during the school day due to vomiting and sickness we ask that the pupil remain at home for 48hrs before returning to school.

Children who arrive late must report to the main office with their parents and sign in. As you will be aware, the school has a number of entrances for children. A security system has been installed and after 9.00am all doors to the school are locked.

If your son or daughter is absent without authorisation the Learning Mentor will telephone home to check on your children's whereabouts.

ARRANGEMENTS FOR WITHDRAWAL OF PUPILS ON PARENTS' REQUEST

St Francis of Assisi is a Catholic School. If parents of non-Catholics wish to withdraw their children from collective worship, they may do so, but it will be necessary for them to make arrangements for their children to be supervised.

EXTRA-CURRICULAR ACTIVITIES

We offer a variety of after-school activities. Clubs are open to all our children and delivered by dedicated and experienced members of our staff team. Y6 booster clubs run for 12 weeks in preparations to the National Exams, every year.

POSITIVE BEHAVIOUR

Developing a positive ethos in School

1. Aims

It is our aim that every child develops moral values and a code of behaviour based on Christ's teaching and example.

We are a caring community whose values are built on mutual trust and respect for all.

The Behaviour Policy is designed to create and maintain a positive, calm, and orderly environment, where all members of the school can live, and learn together in a supportive way.

2. School Rules

Our school rules are simple, clear and easy to understand, remember and follow. They can be interpreted by the children and adults in school at every level.

We call them RULES FOR LIFE:

- Respect
- Listen
- Try your best (with everything)

- Be positive (have a go!)

The rules are displayed around the school and in every class. They are linked to the rewards and sanctions and are applied fairly and consistently, at the appropriate level, through school.

3. Encouraging Outstanding Behaviour for Learning in Our School

We believe that teachers have the right to teach and children have the right to learn in the classroom, free from disruptive behaviour. All pupils and staff have the right to feel safe and happy in school.

We make clear our expectations of good behaviour

We promote mutual respect

We adopt a positive approach which builds on the core values of our school, underpinned by Christ's teaching.

We identify, praise and reward good behaviour, both privately and publicly.

We create the right climate where all pupils feel valued, with a strong sense of belonging.

We set good examples through our Christ-centred approach to building relationships, showing mutual courtesy and care.

We deal with any difficult or confrontational situation quietly and with respect.

4. Rewards

In our school we reward good behaviour, pleasing work and all other achievements with:

- * house points
- * golden time
- * stars
- * letters home
- * certificates and praise in assembly

5. Consequences

- * a child is reminded of the school rules
- * a warning is given
- * missed playtimes
- * inability to gain the day's bonus behaviour point
- * letter home
- * time out to another class
- * loss of privileges

Children who misbehave in the playground will be reported to the duty teacher or lunchtime supervisor who will notify the class teacher who will discuss the problem with parents if the misbehaviour persists.

In matters of extreme breaches of the behaviour code, ie physical abuse of another child or adult, or use of bad language, the school reserves the right to implement loss of privileges with immediate effect. Exclusion will be considered if appropriate.
