

# LO To reflect upon the importance of the Creation story

How can show we are  
physically healthy and spiritually healthy?

Why do you think we were put on earth? \_\_\_\_\_

*God loves all his creation.*

*Animals too.*

*But God gave man something very special.*

*He entrusted the earth to man, to cultivate and take care of it.*

What makes man different to the other things God created?

**Your task:** To create a list of ways man is unique and different to God's other creations. You can do this in the form of a list, a poem, a story or create a poster.
