Dear parents

As you are aware, we recently had an Ofsted Inspection, and are now in receipt of the report, which is attached to this letter.

We are very pleased with our solid GOOD judgement and would like to take this opportunity to thank you for your support, both in the playground speaking to the Inspector and in your written responses in the online questionnaire.

We would also like to thank the staff who work hard and generously give their time to benefit the pupils.

But most of all, we would like to thank our wonderful children who so impressed the Inspector. Their behaviour, their friendliness, their amazing attendance and their aspirations for the future took his breath away. He couldn't stop telling us how great they are!

The report identifies that this is a good and improving school. We look forward to continuing to work with you, to provide the best possible education, in its broadest sense, for all our pupils.

Yours sincerely

Mrs Snejberkova-Taylor
