“There it is at last,” said Ant. “Planet Exis.”
Everyone looked at the beautiful green and blue planet on the viewscreen.
“Our mission is almost over,” said Tiger.
“Not quite,” Cat reminded him. “We still have to re-form the Core at the Pool of Power to save the planet ... and the galaxy!”

“I still have to free my parents from Badlaw, too,” Nok said quietly.
He flew the Excelsa down towards Planet Exis. As they broke through the clouds, the friends could see the Pool of Power glittering in the sunlight. They could also see that the Pool’s energy levels were lower than when they were last there.

RE

Think about the importance of prayer. How can you pray? Why is it important to pray?

Write a prayer to God about something important to you. E.g. your family.

Each day, try and find a time and place where you can be alone with Jesus and pray.

- Sit alert but relaxed.
- Breathe slowly and let your eyes close gently.
- Open your heart to Jesus and let him know that you want him to be with you.
- Believe Jesus will listen to what you share with him and he will give you his love and help.
