**Phonics/Reading**

<p>The giant chicken squawked. Then she flapped out of the pen and over the wall of the farm. The farm backed on to the big park.</p> <p>"We have to get her back and shrink her," yelled Max, "before anyone sees."</p> <p>"We have to catch her first!" said Ant.</p> 	 <p>Shelly was halfway across the park by the time the children got there. She had already destroyed a flowerbed and a football net.</p> <p>"She's heading for the café," said Ant.</p> <p>"Someone will see her!" groaned Max.</p> 
--	--

	<p>1. Why do you think the giant chicken is heading for the cafe?</p>

2. Why might the chicken be squawking?

3. What is another way to say 'shrink'.

### Writing/Spellings/Grammar

Here is a picture of the snowman I made yesterday! Write me a message to describe what you did in the snow yesterday! Did you make a snowman? Throw snowballs? How did it make you feel?

How many different verbs and adjectives can you use?

Which tense will you write in?

## Science

# How to Make an Egg Bounce

### Materials

Eggs

White Vinegar

### Instructions

- 1** Fill a container with white vinegar, and carefully drop the egg inside. Make sure the egg is completely covered.
- 2** After a couple of days carefully rinse the egg, rubbing the shell gently.
- 3** Leave for another day in the vinegar if some shell remains and then rinse again.
- 4** Once the shell is removed carefully try to bounce the egg.
- 5** Drop carefully from quite a low height, the egg should bounce up from the surface.

## Friday Challenge

Go outside and create something in the snow! You could make a snow angel, a snowman or a sculpture out of snow. If you can, send a picture of your creation. Here are some ideas!
