

How to create a gmail account: Step by step instructions

- Click on gmail
- Click create an account

The screenshot shows the "Create your Google Account" page. It includes the Google logo and the following fields:

- First name
- Last name
- Username @gmail.com (with a note: "You can use letters, numbers & periods")
- Use my current email address instead (a link)
- Password
- Confirm
- Use 8 or more characters with a mix of letters, numbers & symbols
- Show password
- Sign in instead (a link)
- Next (a button)

And that's it! You have created a gmail email and password.
