RSE Curriculum

Dear Parents/Carers,

Further to our consultation at the beginning of the academic year, regarding the new statutory curriculum subject, Relationship and Health Education, we are pleased to let you know that our school has decided to adopt the programme, Life to the Full, produced by the Catholic educational organisation: Ten:Ten Resources and the teaching of such will begin after the Christmas holidays across all year groups.

The Life to the Full programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education, we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. It includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers. Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see our new programme, Life to the Full, to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

We would like to thank every parent who took the time to complete the online questionnaire and offered their views, thoughts and questions with regards this new curriculum. We had an overwhelming response to the consultation and the curriculum itself. We are lucky at St Francis that we have such devoted parents who really want to work with our school and support their child in any way possible. Over 85% of parents are happy with the Catholic ethos of the programme:

- ❖ *"I trust that, as a Catholic school, St Francis will handle this program in the best way to achieve a result that will reflect the Catholic faith"*
- ❖ *"We believe the program will be delivered in a way that is suitable for children of their age"*
- ❖ *"I trust the school on the RHE education of my child"*

An important element of the consultation was also to answer any questions you may have had after watching the videos through the Consultation tool and Parent Portal. In response, we have included in this letter a break down of the modules that will be taught per Key Stage. Before the sessions start in the New Year, a long-term plan will be sent home, so you will know when your child is getting taught the modules as the term progresses.

If there are any parents who feel they require a meeting to discuss their questions/concerns further, please contact the school office to make an appointment to see our Interim Executive Head Teacher Mrs McDonagh-Smith or our Head of School Mrs Snejberkova-Taylor, who will with pleasure meet with you.

Yours faithfully

Mrs Shaw (RE & RSE Leader)

Religious UNDERSTANDING

At the start of each learning stage, we begin with a series of story sessions based on a key Gospel story which provides the religious foundation for the teaching that will follow. For example, through an imaginative retelling of the Prodigal Son, children deepen their understanding of the concept of sin and the importance of forgiveness in relationships.

Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

Early Years Foundation Stage:

- Children will learn that God is three in one: Father, Son and Holy Spirit
- Know that they are loved and called to love others

- Learn that being made in His image means being called to be loved and to love others
- Learn about the various communities they belong to: home, school, parish, the wider community, the nation and the global community

Lower Key Stage Two:

- Children will develop a deeper understanding that God is love as shown by the Trinity
- Understand that the human family reflects the Holy Trinity in mutual charity and generosity
- Know that the Church family comprises of home, school and parish
- Catholic Social Teaching on what it means to work for the Common Good

Upper Key Stage Two:

- Children will know that God is Trinity – a communion of persons
- Learn that the Church is the body of Christ
- Develop a deeper and richer understanding of Catholic social teaching
- Learn how certain charities reach out to the wider community with love

Religious UNDERSTANDING

In the first Unit, Religious Understanding, the sessions help children to develop a concept of the Trinity at a level appropriate for their learning stage. They learn about the creative circle of love between Father, Son and Spirit. Children will learn that just like the Trinity of God, we are made to love God and love others, and we are made to be loved by God and others. This extends not only to us, our families, our friends and our personal relationships, but also to the wider world.
