Curriculum Statement

Our aim is to provide our students with an engaging, exciting and empowering curriculum underpinned by the teachings of Jesus that equip them to be active citizens in the community in which they live in, both now and in the future.

Across the St Gregory The Great Catholic Academy Trust the curriculum is designed to: recognise our student's prior learning, provide first hand learning experiences, allow our students to develop interpersonal skills, build resilience and become creative, critical thinkers.

Every child is recognised as a unique individual. We celebrate and welcome differences within our diverse school community. The ability to learn is underpinned by the teaching of basic skills, knowledge, concepts and values with a vision to prepare them for life beyond the primary and secondary phase of education. We constantly provide enrichment opportunities to engage in learning. We believe that childhood should be a happy, investigative and enquiring time in our lives, where there are no limits to curiosity and there is a thirst for new experiences and knowledge. We use our Trust values to promote positive attitudes to learning which reflect the values and skills needed to promote responsibility for learning and future success.

Community involvement is an integral part of our curriculum, inviting families and visitors to facilitate learning new skills and sharing experiences such as assemblies, family learning sessions (for parents and children learning together) and open mornings.

Students leave St Gregory The Great Catholic Academy Trust with a sense of belonging to a tightly knit community where they have the confidence and skills to make decisions, self-evaluate, make connections and become lifelong learners.
