REFRESHMENTS PROVIDED

This group has been set up as an unofficial support group for Parents and Carers of children with SEND needs. This can be a rewarding but stressful and isolating time for parents. This group has been set up to offer a social, supportive and relaxed setting for meaningful discussions about anything at all. We will make attempts to bring external agencies in who would be relevant for the group where we can. This is a great place to meet people in a similar situation.

This is open to any Parents/Carers of children in the LEODIS Academies Trust.
