Virtues to Live By Cycle 2 2023/2024

Virtues to Live By” is a resource created by the Diocese of Leeds with the creative and financial support of the Leeds Diocesan Association of Primary Headteachers.

“Virtues to Live By” enables our pupils to explore a virtue over a 3-4 week period (two per half term) to improve the school community’s virtue literacy and to deepen understanding and appreciation of the essential role the virtues play in the education of the *whole person* towards *human flourishing*.

These are shown in the table below -please note we are moving to the second year cycle this academic year 2023-2024
