Year 6

Dear Parent(s)/ Guardian(s),

We have an exciting opportunity for our year 6 children to be able to purchase leavers hoodies. These would include the names of all their class friends from this academic year and they come in a choice of colours. If you would like to purchase a hoodie, please use the link printed below along with the username and password. You will make payment directly to the company (of which school receive no commission for) so please make sure you order the correct size and colour as this will not be able to be changed once ordered and refunds cannot be made. The hoodies will then be posted to school in July, ready for the leaver's assembly and other events where the children may wish to wear them.

Please note there is no requirement for you to have to purchase one and we have shopped about with this showing as one of the most reasonably priced designs available. The online shop will close on the 10/06/2023, giving you plenty of time to order if you wish and orders cannot be accepted after this date.

Junior sizes up to age 11- 13 - £23 each

Adult sizes - £27.90 each
