RSE Parent Consultation & Parent Portal

Dear Parents and Carers,

At St Francis of Assisi Catholic Primary School, parents and carers are the **first and most important educators of their children.** We value working in partnership with families, particularly when teaching Relationships, Sex and Health Education (RSE).

As a Catholic school, our RSE curriculum is rooted in the teachings of the Catholic Church. We use Life to the Full by Ten Ten Resources, a programme designed specifically for Catholic schools and taught sensitively and in an age-appropriate way.

Our RSE provision meets the statutory requirements for Relationships Education and Health Education in primary schools and is delivered in accordance with current Department for Education guidance. Our curriculum is carefully planned, age-appropriate and taught within the Catholic ethos and teachings of our school.

Parent Portal

As part of our subscription to "Life to the Full" and "Prayer and Liturgy", all parents and carers can access the Online Parent Portal. This allows you to explore the materials used in school and see how topics are approached.

Parent Consultation

Working in partnership with families

We invite all parents and carers to explore the Life to the Full materials available through the Parent Portal. This gives you the opportunity to understand the content of the programme, how it is taught and how it supports our Catholic ethos.

Once you have explored the materials, we ask that you contact school directly with any questions, comments or feedback you may have regarding the scheme. This process forms our parent consultation for RSE and ensures that parents and carers have the opportunity to share their views with school.

We value your feedback and will carefully consider any questions or comments received as part of our ongoing review of RSE provision.

Please take some time to explore the Parent Portal and the materials available.

Once you have done so, **click here to complete the Parent Consultation Form.**

If you have any questions or would like to discuss any aspect of the RSE curriculum, please contact school.
Thank you for your continued support and partnership.

Yours sincerely,

Mrs Shaw
